

Re-Education (Through Labor)

Rise Against

To the sound of a heartbeat pounding away
To the rhythm of the awful rusted machines
We toss and turn but dont sleep
Each breath we take makes us thieves
Like causes without rebels
Just talk but promise nothing else We crawl on our knees for you
Under a sky no longer blue
We sweat all day long for you
But we sow seeds to see us through
The sometimes dreams just dont come true
We wait to reap what we are due To the rhythm of a time bomb ticking away
And the blare of the sirens combing the streets
Chased down like dogs we run from
Your grasp until the sun comes up
We crawl on our knees for you
Under a sky no longer blue
We sweat all day long for you
But we sow seeds to see us through
The sometimes dreams just dont come true
Look now at what theyve done to you
White needles buried in the red
The engine roars and then it gives
But never dies
Coz we dont live
We just survive
On the scraps that you throw away
I wont crawl on my knees for you
I wont believe the lies that hide the truth
I wont sweat one more drop for you
Coz we are the rust upon your gears
We are the insects in your ears
We crawl
We crawl
We crawl all over you
We sow the seeds to see us through
Our days are precious and so few
We all reap what we are due
A judges sky no longer blue
We bring the dawn all over new
We crawl
We crawl
We crawl all over you
