

# When the Party's Over

Billie Eilish

[Verse 1]

Don't you know I'm no good for you?  
I've learned to lose you, can't afford to  
Tore my shirt to stop you bleeding  
But nothing ever stops you leaving[Chorus]  
Quiet when I'm coming home, I'm on my own  
I could lie and say "I like it like that, like it like that"  
I could lie and say "I like it like that, like it like that"

[Verse 2]

Don't you know too much already?  
I'll only hurt you if you let me  
Call me friend, but keep me closer  
I'll call you when the party's over[Chorus]  
Quiet when I'm coming home, I'm on my own  
I could lie and say "I like it like that, like it like that"  
I could lie and say "I like it like that, like it like that"[Bridge]  
But nothing is better, sometimes  
Once we have said our goodbyes  
Let's, let it go  
Let me let you go

[Chorus]

Quiet when I'm coming home, I'm on my own  
I could lie and say "I like it like that, like it like that"  
I could lie and say "I like it like that, like it like that"
