

# Beer In the Headlights

Luke Bryan

Honey suckle in the air, breese blowing through your hair  
Hundred stars hanging high, under your still tide  
Up in every move you make, baby I'm your DJ  
Your my favorite song, won't you let me sing-a-long Sittin' right here, out here in the middle of  
nowhere

I swear I've never seen, ever seen nothing like you anywhere  
I got the key turned back, windows down, I'm turning it up and your  
Spinnin' around, takin' a sip, swingin' your hips, girl your looking so  
Fine, with your beer in the headlights  
Heart beating like a drum, call me the lucky one  
Shining these Hi-Beams on you baby, boots stirring up the dirt  
Cottonfield concert, you got the beautiful, I got the cooler full Sittin' right here, out here in the  
middle of nowhere

I swear I've never seen, ever seen nothing like you anywhere  
I got the key turned back, windows down, I'm turning it up and your  
Spinnin' around, takin' a sip, swingin' your hips, girl your looking so  
Fine, with your beer in the headlights With your beer in the headlights  
Sittin' right here, out here in the middle of nowhere, nowhere  
I swear I've never seen, ever seen nothing like you anywhere  
Ohhh ohh ohhh

I got the key turned back, windows down, I'm turning it up and your  
Spinnin' around, takin' a sip, swingin' your hips,  
Girl your looking so fine, with your beer in the headlights With your beer in the headlights  
With your beer in the headlights  
With your beer in the headlights
