

# Redemption

Drake

Yeah, I get it  
I get it  
Yeah Why would I say all these things to have you feelin' a way?  
Why would I tell you I'm 30 away if I'm not on the way?  
Why do I settle for women that force me to pick up the pieces?  
Why do I want an independent woman to feel like she needs me?  
I lost my way I'm searchin' for these words to say to you  
Please give me time  
Cause I'm searchin' for these words to say to you  
Oh please give me time  
Cause I'm searchin' for these words to say to you right now  
Redemption's on your mind when you think about me  
Yeah  
Redemption's on your mind when you think about me  
Yeah  
Run your mouth, I'd rather listen to someone else  
I gave your nickname to someone else  
I know you're seein' someone that loves you  
And I don't want you to see no one else  
I don't want you here with someone else  
I don't wanna do this with no one else  
I used to know you back when you was young  
Your brother brought me through, you saw me  
That made me think of you so differently  
I miss the feeling of you missing me  
But you say you're over and done with me  
Aw yeah, yeah, yeah  
Aw yeah, yeah, yeah  
Now redemption's on your mind when you think about me  
Aw yeah, yeah, yeah  
Redemption's on your mind when you think about me  
Aw yeah, yeah, yeah  
Redemption's on your mind when you think about me  
Aw please give me time  
Cause I'm searchin' for these words to say to you right now Say to you  
But 80 percent of it was the truth, yeah  
Say to you  
A Mercedes coupe that you're still drivin' with just me and you  
Girl, really gon' spend the winter with this other nigga?  
Act like he's really the one to get through it with you  
Took up with Jessica, Kim, you know that I'm bound to see you  
And they both say that you're over and done with me

Aw yeah, yeah, yeah  
Aw yeah, yeah, yeah They say redemption's on your mind when you think about me  
Yeah, aww yeah, yeah, yeah  
Redemption's on your mind when you think about me  
Aw yeah, yeah, yeah  
Redemption's on your mind when you  
Aw please give me time  
Cause I'm searchin' for these words to say to you right now Damn, I'm not unrealistic with none  
of my women  
I tell them if they ain't with it then let's just forget it  
Relationships slowin' me down, they slow down the vision  
Guess I'm not in a position to deal with commitment  
Certain people need to tell me they're proud of me  
That mean a lot to me  
Not havin' closure, it take a lot out of me  
This year for Christmas I just want apologies  
Sydney gave up on me when I went missin'  
Syd had a baby and treated me different  
Erica sued me and opened a business  
Wonder if they was here, shit could have been different  
Wonder what they'd do put in my position  
I wonder, when my shit drop, do they listen?  
Wonder if they're second guessin' their decisions  
I hate the number 2, that shit is unforgiven  
Tryna satisfy everybody  
It's like they can't get enough  
Until enough is enough  
And that is too much  
You tip the scale when I weigh my options  
West Palm girls are spoiled rotten  
Tiffany on you, you know you poppin'  
I'll kill somebody if they give you problems  
Master bedroom's where we get it poppin'  
Just ignore all the skeletons in my closet  
I'm a walkin' come-up, I'm a bank deposit  
Sell my secrets and get top dollar  
Sell my secrets for a Range Rover  
Opportunity and temptation  
They would sell my secrets for a tropical vacation  
Sell my secrets back to me if I was payin'  
Who's gonna save me when I need savin'?  
Since take care, I've been caretakin'  
At second chances, that ain't how you livin'  
Redemption on your mind, I'll never be forgiven Yeah  
I know
