

Camila Cabello

[Evan Blum](#)

[Refrain]

Girl, you're in my heart and you're on my mind
Think 'bout you all the time
Like Camila Cabello
Just like Camila Cabello
You're a superstar no matter what you wear
I love those bows wrapped in your hair
Like Camila Cabello
Just like Camila Cabello

[Interlude]

The world is a girl group
And you're my favourite member

[Bridge]

Like Camila Cabello, you brighten my day-oh
I'm losing the words to say-oh
Like Camila Cabello, would it be okay-oh
If I was your biggest fan?

[Outro]

'Cause, girl, you ownin' like only Camila Cabello can
Oh na na na na, hey
Oh na na na na, hey
'Cause, girl, you ownin' like only Camila Cabello can
