

# Sorry

## Jonas Brothers

Broken hearts and last goodbyes  
Restless nights but lullabies  
Helps to make this pain go away  
I realize I let you down  
Told you that I'd be around  
Buildin' up the strength just to say, I'm sorry  
For breakin' all the promises that I wasn't around to keep  
It's all me  
This time is the last time I will ever beg you to stay  
But you're already on your way  
Filled with sorrow, filled with pain  
Knowing that I am to blame  
For leavin' your heart out in the rain  
And I know you're gunna walk away  
Leave me with the price to pay  
Before you go I wanted to say  
Yeah That I'm sorry  
For breakin' all the promises that I wasn't around to keep  
It's all me  
This time is the last time I will ever beg you to stay  
But you're already on your way I can't make it alive on my own  
But if you have to go, then please girl  
Just leave me alone  
'Cause I don't wanna see you and me goin' our separate ways  
I'm begging you to stay  
If it isn't too late  
I'm sorry  
For breakin' all the promises that I wasn't around to keep  
It's all me  
This time is the last time I will ever beg you to stay  
But you're already on your way  
But you're already on your way
