

# Headrest for My Soul

## AWOLNATION

There's a leak in this boat  
Someone toss me a rope  
And a headrest for my,  
Headrest for my soul  
There's a leak in this boat  
How the hell will I float?  
With this headrest for my,  
Headrest for my soul  
I got a headrest for my,  
Headrest for my soul  
Let the whispers unfold  
And don't do what you're told  
Headrest for my,  
Headrest for my soul  
If the hospital burns  
If it's really my turn, yeah  
How the hell will I,  
How the hell should I learn?  
There's a leak in this boat  
Someone toss me a rope  
And a headrest for my,  
Headrest for my soul  
Gimme that  
Headrest for my,  
Headrest for my soul  
You know I got a headrest for my,  
Headrest for my soul
