

The Air That I Breathe

Maroon 5

People never change
They seem to stay the same.
They wear different clothes
But play the same games. Many different ways
To say the same thing.
Searchin for the right words
The ones that would make you stay. Exchanging the way things were
For the way that they should be
Yeah.
And choosing these words
Is saying to her
The things that she never heard
But always deserved.
I figured out what it is all about.
It's you that I could never live without.
You're everything
The air that I breathe.
Stupid not to know it all along
And everything I ever did was wrong.
Sadly it's too late for sorry. Oh I'm not even really sure
Who made this mess
And who threw what punch
But I could not care less.
All I know is that I'm here
And you are not, Ohhh.
Once I put this wasted pride aside
Nothin's all I got, Ohhh.
Exchanging the way things were
For the way that they should be
Yeah.
And choosing these words
Is saying to her
The things that she never heard
But always deserved. I figured out what it is all about.
It's you that I could never live without.
You're everything
The air that I breathe.
Stupid not to know it all along
And everything I ever did was wrong.
Sadly it's too late for sorry. Ohh
Somebody make it stop.
Yeahh.

And pick me up
And just dust me off, Ohh.
The rainy day flood
drowned all this love.
Trapped at the bottom now
Please dig me up. I figured out what it is all about.
It's you that I could never live without.
You're everything
The air that I breathe.
Stupid not to know it all along
And everything I ever did was wrong.
Sadly it's too late for sorry.
I figured out what it is all about.
It's you that I could never live without.
You're everything
The air that I breathe.
Stupid not to know it all along
And everything I ever did was wrong.
Sadly it's too late for sorry.
