

City Girl

Tegan and Sara

[Verse 1]

I cried so hard that you pushed me further away
Screamed so loud you called the police on me

[Chorus]

I got so city girl on you

[Verse 2]

I get so sad that sad gets to be
So scared that all my feelings, they up and leave me

[Chorus]

I got so city girl on you
I go so crazy I don't know what to do

[Verse 3]

I look so long I get obvious
I look so hard I look obvious
I work so much I miss the sun shine away
I sleep so little, watch the stars fade into day

[Chorus]

I get so city girl on you
I go so crazy I don't know what to do

[Verse 4]

I get uncertain promise, I'll be perfect from now on
But all my promises they're out the window once you're gone
And you pack your bags you say, "I love you but I cannot stay"
So I started smoking thought the signals
Would scare your wolves away

[Chorus]

I got so city girl on you
I went so crazy I didn't know what to do
I got so city girl on you
I went so crazy I didn't know what to do

[Verse 5]

I cry so hard that you push me further away

I scream so loud you'd call the police on me
You pack your bags you say, "I love you but I cannot stay"
So I started smoking thought the signals
Would scare your wolves away

[Chorus 2]

I got so city girl on you
I went so crazy I didn't know what to do
I got so city girl on you
I went so crazy I didn't know what to do
