

Hold Me

HAIM

Can't you understand me
Baby don't you hand me a line
Although it doesn't matter
You and me got plenty of time
There's nobody in the future
So baby let me hand you my love
There's no step for you to dance to
So slip your hand inside of my glove
Hold me, hold me, hold me
(Come on and)
Hold me, hold me, hold me
I don't want no damage
But how'm I gonna manage with you
You want a percentage
But I'm the fool payin' the dues
I'm just around the corner
If you got a minute to spare
I'll be waitin' for you
If you ever wanna be there
(Come on and)
Hold me, hold me, hold me
(Come on and)
Hold me, hold me, hold me
