

# Last Call

## Hudson Thames

[Intro]

Da da da da da da da da da

[Verse 1]

Another song about getting drunk  
Know you've heard it all before but honey, loosen up  
Roundabouts and ups and downs  
Yeah, we've all been on a journey but we're here right now

[Pre-Chorus 1]

It's too late for conversation  
My mind is on vacation  
I've been counting seconds to the weekend (Weekend)  
Cheap wine in public places  
Good friends in bad locations  
Tell me what do you want

[Chorus]

So tonight, let's get high  
Pass that joint and kill that vibe  
We might laugh, we might cry  
Middle fingers to the sky  
Oh, I don't even know if I've had nights like this  
I don't even know how many girls I've kissed  
Tonight, let's get high  
Middle fingers to the sky  
We'll be fine

[Post-Chorus]

Da da da da da da da da da

[Verse 2]

Golden days may have changed  
But the boys down in the valley always stay the same  
Another line to pass the time  
We've been singing here for hours now it's closing time

[Pre-Chorus 2]

Now let's wake up and make that money  
Laugh hard when shit ain't funny

God, I miss the days when we were younger  
If you feel the way I'm feeling  
Glasses up to the ceiling  
We're gonna be alright

[Chorus]

So tonight, let's get high  
Pass that joint and kill that vibe  
We might laugh, we might cry  
Middle fingers to the sky  
Oh, I don't even know if I've had nights like this  
I don't even know how many girls I've kissed  
Tonight, let's get high  
Middle fingers to the sky  
We'll be fine

[Bridge]

We never know what we got 'til it's gone  
Nights fucking crazy but that makes us strong  
Tell me you love me  
I'll tell you you're wrong  
Ladies, fellas, let me hear you sing along  
Da da da da da da da da da da (woo, there we go)  
Da da da da da da da da da da

[Chorus]

So tonight, let's get high  
Pass that joint and kill that vibe  
We might laugh, we might cry  
Middle fingers to the sky  
Oh, I don't even know if I've had nights like this  
I don't even know how many girls I've kissed  
I don't even know if I've had nights like this  
I don't even know how many girls I've kissed

Tonight, let's get high  
Middle fingers to the sky  
We'll be fine

[Outro]

Da da da da da da da da da da (We'll be fine)  
Da da da da da da da da da da
