

# Canyon Moon

Harry Styles

You gotta see it to believe it  
Sky never looked so blue  
So hard to leave it  
That's what I always do  
So I keep thinking back to  
A time under the canyon moonThe world's happy waiting  
Doors yellow, broken, blue  
I heard Jenny saying  
"Go get the kids from school"  
And I keep thinking back to  
A time under the canyon moonI'll be gone too long from you  
Staring at the ceiling  
Two weeks and I'll be home  
Carry the feeling  
Through Paris, all through Rome  
And I'm still thinking back to  
A time under the canyon moonI'm going, oh I'm going  
I'm going, oh I'm going  
I'm going, oh I'm going homeI'm going, oh I'm going  
I'm going, oh I'm going  
I'm going, oh I'm going homeQuick pause in conversation  
She plays songs I've never heard  
An old lover's hippie music  
Pretends not to know the words  
And I keep thinking back to  
A time under the canyon moon  
I'll be gone too long from youI'm going, oh I'm going  
I'm going, oh I'm going  
I'm going, oh I'm going homeI'm going, oh I'm going  
I'm going, oh I'm going  
I'm going, oh I'm going homeI'm going, oh I'm going  
I'm going, oh I'm going  
I'm going, oh I'm going home
