

# Coming Back to You (feat. J.F. July)

## Lane 8

You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you  
You keep me coming back to you

Well it's taken me a long time

I've come to realise that

There is no compromise

You're still playing on my mind You keep me coming back to you My friends all say I'm unwise

For turning back the time

For rolling back the years

Cause you won't even recognize me

You keep me coming back to you

You keep me coming back to you

You keep me coming back to you

You keep me coming back to you

You keep me coming back to you
