

Chillin' Like a Snowman

Sofia Carson

There are presents underneath the family tree
All the streets are filled with shining lights
There's a party going down this Christmas Eve
And DJ Santa's sliding it all night (Ho, ho, ho)

You need to make a list
You need to check it twice
We're about to find out
Who's naughty, who's nice
You need to spread cheer
We're getting jolly over here
Till the icicles melt
We run deep like the elves

You wanna have fun
Like I know you can
You wanna be cool
Like the ice you make
And when we're done with shopping
And filling up the stockings
We'll be chillin', chillin', oh
Chillin' like a snowman
Chillin', chillin' like a snowman
Chillin', chillin' like a snowman
Hey, chillin' like
Chillin' like
Hey, chillin' like

First step, put the snow in a ball
Then stack 'em from big to small
But you gotta make it five feet tall
And if you need help, just give us a call

Grab a scarf and an old top hat
Watch him coming out just like that
Yeah, yeah, yeah, yeah, yeah
Oh yeah, now this is high fashion
All he needs is a chain and some glasses
We're turning up the heat on the coals

From South Beach to the North Pole

You wanna have fun
Like I know you can
You wanna be cool
Like the ice you make
And when we're done with shopping
And filling up the stockings
We'll be chillin', chillin', oh

You wanna have fun
Like I know you can
You wanna be cool
Like the ice you make
And when we're done with shopping
And filling up the stockings
We'll be chillin', chillin', oh
Chillin' like a snowman
Chillin', chillin' like a snowman
Chillin', chillin' like a snowman
Chillin', chillin' like a snowman
Chillin', chillin' like a snowman
