

L.S.D

Skegss

[Verse 1]

I was just a child
Walking in the wild
Learning my name

Waking while there's dreaming
Shaking what was sleep
And learning what's tame

Luck at my sides, strangling me
I can't see, no I can't breath
Wrap myself up in a sheet
Shut my eyes and I'm going to sleep

[Chorus]

I don't know why
It is I'll live
It is I'll die
What I'm doing's wrong
Or if it's right
So I'm just gonna enjoy the sunshine
I don't know why
It is I'll live
It is I'll die
What I'm doing's wrong
Or if it's right
So I'm just gonna enjoy the sunshine
I don't know why
It is I'll live or die
If what I'm doing's wrong or right
So I'm just gonna enjoy the sunshine

[Post-Chorus]

(Oooooing)

[Chorus]

I don't know why
It is I'll live
It is I'll die
What I'm doing's wrong
Or if it's right
So I'm just gonna enjoy the sunshine
I don't know why

It is I'll live
It is I'll die
What I'm doing's wrong
Or if it's right
So I'm just gonna enjoy the sunshine
I don't know why
It is I'll live or die
If what I'm doing's wrong or right
So I'm just gonna enjoy the sunshine

[Post-Chorus]
(Ooooing)

[Outro]
I don't know why
It is I'll live or die
If what I'm doing's wrong or right
So I'm just gonna enjoy the sunshine
