

Bottom of the Ocean

Miley Cyrus

[Verse 1]

It's been in the past for a while
I get a flash, and I smile
Am I crazy?
Still miss you, baby
It was real, it was right
But it burned too hot to survive
All that's left is all these ashes

[Chorus]

Where does love go?
I don't know
When it's all said and done
How could I be losing you forever
After all the time we spent together?
I have to know why I had to lose you
Now, you've just become
Like everything I'll never find again
At the bottom of the ocean

[Post-Chorus]

Da-da-do
Da-da-do-do
Da-da-do-do-do-do-do
Da-da-da-do-do-do-do

[Verse 2]

In a dream, you appeared
For a while, you were here
So I keep sleeping
Just to keep you with me
I'll draw a map, connect the dots
With all the memories that I got
What I'm missing, I'll keep re-living

[Chorus]

Where does love go?
I don't know
When it's all said and done
How could I be losing you forever

After all the time we spent together?
I have to know why I had to lose you
Now you've just become
Like everything I'll never find again
At the bottom of the ocean

[Spoken Interlude]

This is it
Let go
Breathe

[Bridge]

You don't have to love me for me to, baby, ever understand
Just know, I love the time that we both had
And I don't ever wanna see you sad; be happy
'Cause I don't wanna hold you
If you don't wanna tell me you love me, babe
Just know, I'm gonna have to walk away
I'll be big enough for both of us to say
Be happy

[Outro]

Da-da-do
Da-da-do-do (Be happy, be happy)
Da-da-do-do-do-do-do
Da-da-da-do-do-do-do
Be happy
Mmm
Be happy
