

# Ponyo On the Cliff By the Sea

## Noah Cyrus & Frankie Jonas

[Intro: Frankie Jonas & Noah Cyrus + Both]

Ponyo, Ponyo, Ponyo, Ponyo  
One, two, one, two, three, four!

[Chorus 1: Both]

Ponyo, Ponyo, Ponyo, tiny little fish  
She's a little fish from the deep blue sea  
Ponyo, Ponyo, Ponyo, she's a little girl  
She's a little girl with a round tummy

[Verse 1: Noah Cyrus]

Uh huh, favorite little fishy  
Sing along, let's go  
Sing "P-O-N-Y-O"  
You can clap your hands, clap your fins  
Everybody, this is where the magic happens

[Pre-Chorus: Frankie Jonas & Noah Cyrus + Both]

And when I'm skipping with her  
My heart feels a difference  
Munch and munch, kiss and hug  
Munch and munch, kiss and hug  
Oh, he is my favorite little boy  
Rosy, rosy, red, red!

[Chorus 1: Both]

Ponyo, Ponyo, Ponyo, tiny little fish  
She's a little fish from the deep blue sea  
Ponyo, Ponyo, Ponyo, she's a little girl  
She's a little girl with a round tummy

[Interlude: Frankie Jonas & Noah Cyrus]

Ponyo, Ponyo, Ponyo  
One, two, one, two, three, four!

[Verse 3: Noah Cyrus]

I love you bunches and bunches  
I give you lots of X and O's  
Feel it in your fingers all the way down to your toes  
Everybody, one, two, three

Come along and dance me  
One, two, three, make a wish  
Sing along with your favorite fish

[Pre-Chorus: Frankie Jonas & Noah Cyrus + Both]

And when I'm skipping with her  
My heart feels a difference  
Munch and munch, kiss and hug  
Munch and munch, kiss and hug  
Oh, he is my favorite little boy  
Rosy, rosy, red, red!

[Chorus 1: Both]

Ponyo, Ponyo, Ponyo, tiny little fish  
She's a little fish from the deep blue sea  
Ponyo, Ponyo, Ponyo, she's a little girl  
She's a little girl with a round tummy

[Pre-Chorus: Frankie Jonas & Noah Cyrus + Both]

And when I'm skipping with her  
My heart feels a difference  
Munch and munch, kiss and hug  
Munch and munch, kiss and hug  
Oh, he is my favorite little boy  
Rosy, rosy, red, red!

[Chorus 1: Both]

Ponyo, Ponyo, Ponyo, tiny little fish  
She's a little fish from the deep blue sea  
Ponyo, Ponyo, Ponyo, she's a little girl  
She's a little girl with a round tummy

[Chorus 2: Both]

Ponyo, Ponyo, Ponyo, tiny little fish  
Came to the house on the cliff by the sea  
Ponyo, Ponyo, Ponyo, she's a little girl  
She's a happy girl with a round tummy  
She's a little girl with a round tummy
