

I'm Poppy

Poppy

[Chorus: Poppy]

P-O-P-P-Y, I'm Poppy

P-O-P-P-Y, I'm Poppy

P-O-P-P-Y, I'm Poppy

P-O-P-P-Y, that's me!

[Verse 1: Poppy]

Welcome to the new world, I'm your internet girl

Open up and you'll see, everyone is happy

I like your technology, can you put it on me?

The future is so pretty, we're living in harmony

[Pre-Chorus: Titanic Sinclair & Poppy]

But Poppy, how do I live in your future paradise?

All you have to do is follow these steps

Say

[Chorus: Poppy]

P-O-P-P-Y, I'm Poppy

P-O-P-P-Y, I'm Poppy

P-O-P-P-Y, I'm Poppy

P-O-P-P-Y, that's me!

Pop, pop, pop, Poppy

Pop, pop, pop, Poppy-y

Pop, pop, pop, Poppy

Poppy-y-y, that's me!

[Verse 2: Poppy]

Life can be like a dream if you let me be your queen

You know where to find me, on your telephone screen

Please electrify me, power my battery

I need your energy to store all your memory

[Pre-Chorus: Titanic Sinclair & Poppy]

But Poppy, how can I be like you?

I'm having trouble figuring you out

All you have to do is follow these steps

[Chorus: Poppy]

P-O-P-P-Y, I'm Poppy

P-O-P-P-Y, I'm Poppy
P-O-P-P-Y, I'm Poppy
P-O-P-P-Y, that's me!
Pop, pop, pop, Poppy
Pop, pop, pop, Poppy-y
Pop, pop, pop, Poppy
Poppy-y-y, that's me!
