

For the Record

Mariah Carey

Baby, baby, baby
My loveHey, for the record
You oughta know
You wasn't thinking
When you let me goBut whatever
That's how it goes
Win some you lose some
And others you hold in your heartWhy it gets so hard
Tears you all apart
Even though you try to let go
No, no, no
Suddenly you're here
And it's so surreal
And I don't know
What the deal'Cause when I'm looking in your eyes
Feels like the first time
Give me one good reason why
We can't just press rewindI don't wanna spend my life
Thinking what it could've been like
If we had another try, one time
Like back in the day that look on your face
Feels like the first timeThem other irregularities
They can't compete with MC
The whole entire world can tell
That you love yourself some me
People see ya know
Asking all about
Me and how they always thought
We were so perfect togetherLet's re-write the end
Start over again
And it's gon' go better now'Cause when I'm looking in your eyes
Feels like the first time
Give me one good reason why
We can't just press rewindI don't wanna spend my life
Thinking what it could've been like
If we had another try, one time
Like back in the day that look on your face
Feels like the first timeFor the record
You'll always be a part of me
No matter what you doAnd for the record
Can't nobody say
I didn't give my all to youAnd for the record

I told you underneath the stars
That you belong to me For the record
It's obvious that
We just can't let go of us, honey 'Cause when I'm looking in your eyes
Feels like the first time
Give me one good reason why
We can't just press rewind I don't wanna spend my life
Thinking what it could've been like
If we had another try, one time
Like back in the day that look on your face
Feels like the first time 'Cause when I'm looking in your eyes
Feels like the first time
Give me one good reason why
We can't just press rewind I don't wanna spend my life
Thinking what it could've been like
If we had another try, one time
Like back in the day that look on your face
Feels like the first time 'Cause for the record, baby
Now you know, now you know
