

Runaway

Avril Lavigne

Got up on the wrong side of life today yeah
Crashed the car and I'm gonna be really late
My phone doesn't work cause it's out of range
Looks like it's just one of those kind of days
You can't kick me down I'm already on the ground
No you can't cause you couldn't catch me anyhow
Blue skies but the sun isn't coming out no
Today it's like I'm under a heavy cloud And I feel so alive
I can't help myself, don't you realize I just wanna scream and lose control
Throw my hands up and let it go
Forget about everything and runaway yeah
I just want to fall and lose myself
Laughing so hard it hurts like hell
Forget about everything and runaway yeah
So So is how I'm doing if you're wondering
I'm in a fight with the world but I'm winning
Stay there come closer it's at your own risk
Yeah you know how it is life can be a bitch But I feel so alive
I can't help myself, don't you realize I just wanna scream and lose control
Throw my hands up and let it go
Forget about everything and runaway yeah
I just want to fall and lose myself
Laughing so hard it hurts like hell
Forget about everything and runaway yeah Runaway Runaway.....
I just wanna scream and lose control
Throw my hands up and let it go
Forget about everything and runaway yeah
I just want to fall and lose myself
Laughing so hard it hurts like hell
Forget about everything and runaway yeah
I just wanna scream and lose control
Throw my hands up and let it go
Forget about everything and runaway yeah
I just want to fall and lose myself
Laughing so hard it hurts like hell
Forget about everything and runaway yeah
