Here I Go Again

Casting Crowns

Father, hear my prayer
I need the perfect words
Words that he will hear
And know they're straight from you
I don't know what to say
I only know it hurts
To see my only friend slowly fade awaySo maybe this time
I'll speak the words of life with your fire in my eyes
But that old familiar fear is tearin' at my words
What am I so afraid of?
'Cause here I go again
Talkin' 'bout the rain and mullin' over things
That won't live past today and as I dance around the truth
Time is not his friend
This might be my last chance to tell him that you love him
But here I go again
Here I go again
Lord, You love him so
You gave your only sonIf he will just believe
He will never die
But how then will he know
What he has never heard?Lord, he has never seen mirrored in my life
So maybe this time
I'll speak the words of life with your fire in my eyes
But that old familiar fear is tearin' at my words
What am I so afraid of?
'Cause here I go again
Talkin' 'bout the rain and mullin' over things
That won't live past today and as I dance around the truth
Time is not his friend
This might be my last chance to tell him that you love him
But here I go again
Here I go again
So maybe this timeI'll speak the words of life with your fire in my eyes
But that old familiar fear is tearin' at my words
What am I so afraid of?
'Cause here I go again
Talkin' 'bout the rain and mullin' over things
That won't live past today and as I dance around the truth
Time is not his friend
This might be my last chance to tell him that you love him
This might be my last chance to tell him that you love him

This might be my last chance to tell him that you love him
You love him, you love him
What am I so afraid
What am I so afraid
What am I so afraid of?
How then will he know
What he has never heard?
