Best Part of Me (feat. YEBBA)

Ed Sheeran

My lungs are black, my heart is pure
My hands are scarred from nights before
And my hair is thinnin', falling out
Of all the wrong places
I am a little insecureMy eyes are crossed, but they're still blue
I bite my nails and tell the truth
I go from thin to overweight
Oh day to day it fluctuates
My skin is inked, but faded tooBut she loves me, she loves me
Why the hell she love me
When she could have anyone else?
Oh you love me, you love me
Why the hell do you love me?
'Cause I don't even love myself
Baby, the best part of me is you
And lately everything's making sense too
Oh baby, I'm so in love with youI overthink and still forget
I lose my phone and place my bets
And I never catch the train on time
Always thirty minutes behind
Your worries ain't seen nothin' yetBut you love me, you love me
Why the hell you love me so
When you could have anyone else?
Yeah yeah, he loves me, he loves me
And I bet he never lets me go
And shows me ,how to love myself'Cause, baby, the best part of me is you, woah
Lately everything's making sense too
Baby, I'm so in love with you
(With you)
Baby, the best part of me is you, woah
Lately everything's making sense too
Oh baby, I'm so in love with youBaby, I'm so in love with you, yeah, yeah
Oh baby, I'm so in love with you
