[Kari Kimmel](#)

Get up we're on a mission
We're gonna gonna do it right
(do it right do it right yeah)
No we ain't gonna listen
We're partyin' our way tonight

Just, just forget it all lets go oh oh oh
We're done with all this stressin' out

Let's live it up, turn it up, time is feelin' right
No more waiting, yeah tonight's the night
We're gonna go-oh
And start this show- oh
Everyone dancin' now, losing all control
Party all night, this is how we roll
We're gonna go-oh
And start this show oh oh oh

Too many intermissions
Don't wanna stop let's go all night
(won't stop until sunlight)
We're getting in a rhythm
This time, this time we're gonna fly

Go turn up your radio oh oh oh
We're finished, no more stressin' out

Let's live it up, turn it up, now it's feelin' right
No more waiting yeah tonight's the night
We're gonna go and start the show
Everyone dancin' now, losing all control
Party all night, this we roll
We're gonna go
And start this show oh oh oh

Everything is beautiful
Everything so magical
Everything is wonderful
All the beauty beauty queens
Livin', livin' out their dreams

Everybody, everybody
