

# Growing Up

Evan Blum

[Verse 1]

Feeling alone like no one's home  
Like no one knows me at all  
And no one cares about my prayers  
And about my tears, I'll take the fall  
I'm getting sick of it, oh it's just ridiculous  
Time and time again, time and time again

[Pre-Chorus]

Brings you down  
Down to the ground, oh

[Chorus]

Baby, baby, tell me it's alright  
(It's alright, it's alright, I'll hold you through the night)  
Baby, I just need to hear you say  
I'm gonna be okay

[Verse 2]

I watch myself turn into someone else  
Until I just can't tell it's me at all  
This stuff's so new to me, I just don't know who to be  
Time and time again, I remember when

[Pre-Chorus]

I was a kid (I was a kid)  
And I knew how to live

[Chorus]

Baby, baby, tell me it's alright  
(It's alright, it's alright, I'll hold you through the night)  
Baby, I just need to hear you say  
I'm gonna be okay

[Bridge]

I'm not driving, auto-pilot, I've been silent  
It's not meant to be this way, hey, hey, hey  
I've been searching for that something, feel it coming  
Feel it coming 'round my way, hey, hey, hey

I need escape

[Chorus]

Baby, baby, tell me it's alright  
(It's alright, it's alright, I'll hold you through the night)  
Baby, I just need to hear you say  
I'm gonna be okay
