

Just a Feeling

Maroon 5

I watched you cry, bathed in sunlight by the bathroom door
You said you wished you did not love me anymore
You left your flowers in the backseat of my car
The things we said and did have left permanent scars Obsessed, depressed at the same time
I can't even walk in a straight line
I've been lying in the dark no sunshine
No sunshine
No sunshine She cries
This is more than goodbye
When I look into your eyes
You're not even there
It's just a feeling
Just a feeling
Just a feeling that I have
Just a feeling
Just a feeling that I have Cuz' I can't believe that it's over You've hit your low, you've lost control
and you want me back
You may not believe me but I gave you all I have
Undress, confess that you're still mine
I roll around in a bed full of tears, and
I'm still lying in the dark no sunshine
No sunshine
No sunshine She cries
This is more than goodbye
When I look into your eyes
You're not even there
It's just a feeling
Just a feeling
Just a feeling that I have
Just a feeling
Just a feeling that I have No I can't believe that it's over now, baby So much to say, it's not the
way she does her hair
It's the way she seems to stare right through my eyes
And in my darkest day when she refused to run away
From love she tried so hard to save... It's just a feeling
Just a feeling
Just a feeling that I have
Just a feeling
Just a feeling that I have
(It's just a feeling)
It's just a feeling
Just a feeling

Just a feeling that I have
Just a feeling (Ohh, ohh)
Just a feeling that I have
And I can't believe that it's over now
I can't believe that it's over
And I can't believe that it's over
