

It's All Your Fault

P!nk

[Verse 1]

I'd conjure up the thought of being gone
But I'd probably even do that wrong
I try to think about which way
Would I be able to and would I be afraid?
'Cause oh, I'm bleeding out inside
Oh, I don't even mind, yeah

[Chorus]

It's all your fault
You called me beautiful
You turned me out
And now I can't turn back
I hold my breath
'Cause you were perfect
But I'm running out of air
And it's not fair
Da da da da da da da da da
Da da da da da da da da da da da da

[Verse 2]

I'm trying to figure out what else to say (what else could I say?)
To make you turn around and come back this way (would you just come back this way?)
I feel like we could be really awesome together
So make up your mind because it's now or never, oh

[Chorus]

It's all your fault
You called me beautiful
You turned me out
And now I can't turn back
I hold my breath
'Cause you were perfect
But I'm running out of air
And it's not fair

[Bridge]

I would never pull the trigger
But I've cried wolf a thousand times
I wish you could

Feel as bad as I do
I have lost my mind

[Chorus]

It's all your fault
You called me beautiful
You turned me out
And now I can't turn back
I hold, (I hold), my breath, (my breath)
'Cause you were perfect
But I'm running out of air (I'm running out of air)
And it's not fair
(Oh yeah)

[Outro]

(It's all your fault)
I hold my breath (my breath)
Because you were perfect
But I'm running out of air
And it's not (It's not) fair (oh)
