

One Thing At A Time

Morgan Wallen

Somebody hand me a cigarette
I know I ain't had one in over a week
Somebody pour me a double shot
Been getting better by the day but tonight I drink
You say I gotta get over you
And get sober too
I got a lot of habits I gotta kick
Weigh out all your options
And take your pick
I can either burn the bar down
Or I can take your number out my phone
I can give you up right now
Never want you back long as I'm half stoned
If you want me to quit you
Want me to get you out of my heart and baby, off my mind
I hate to tell ya, girl
But I'm only quitting one thing at a time
I know I got me some problems
About a thousand memories I gotta forget
But if I'm gonna solve 'em
Baby, I'll take all the help I can get
If you ain't gonna kiss me
Then I'll take some whiskey
Some grizzly
Nicotine, amphetamines too
You want me to stop some of that
Or you want me to stop loving you
Hey, whatchu want me to do?
I can either burn the bar down
Or I can take your number out my phone
I can give you up right now
Never want you back long as I'm half stoned
If you want me to quit you
Want me to get you out of my heart and baby, off my mind
I hate to tell ya, girl
But I'm only quitting one thing at a time
Ah yeah, I hate to tell you
Ah yeah, I hate to tell you
I ain't no superman
I'm just the way I am
If I'm gonna move on
Then I need me something in my hand
Ain't nothing wrong with that

And if you ain't coming back
I can either burn the bar down
Or I can take your number out my phone
I can give you up right now
Never want you back long as I'm half stoned
If you want me to quit you
Want me to get you out of my heart and baby, off my mind
I hate to tell ya, girl
But I'm only quitting one thing at a time
Ah yeah, I hate to tell you
Ah yeah, I hate to tell you
Ah yeah, I hate to tell you
