

# If Only (feat. Dua Lipa)

Andrea Bocelli

Stai qui vicino a me  
Quaggiù, quaggiù  
Vedrai, vedrai, vedrai  
Tu vali sì per me  
Qualcosa più dell'oro  
Qualcosa come un'alba  
Che io aspettoIf only we could turn back time  
Back to the day we said goodbye  
Maybe your heart would still be mine  
My love, if only  
Dove sei? Dove sei, amore?  
Nel cielo c'è qualcosa,  
Qualcosa nel cielo c'è  
Qualcosa più dell'oro  
Qualcosa come un canto  
Che io danzo con teIf only we could turn back time  
Back to the day we said goodbye  
Maybe your heart would still be mine  
My love, if onlyAncora sì la vita è  
Sopra di noi, se sei con me  
Il cielo che riappare qua  
Fino alla fineMaybe your heart would still be mine  
My love, if only  
Tu che muovi il mondo  
Tu che soffi forte il vento  
E il granoEnglish:Stay here, near me  
Over here, right here  
You'll see, you'll see, you'll see  
What you mean to me  
Something more than gold  
Something like the dawn  
That I wait forIf only we could turn back time  
Back to the day we said goodbye  
Maybe your heart would still be mine  
My love, if onlyWhere are you? Where are you, love?  
There's something in heaven,  
Something in heaven indeed,  
Something more than gold  
Something like a song  
That I dance with youIf only we could turn back time  
Back to the day we said goodbye  
Maybe your heart would still be mine

My love, if only Even now, life is  
Upon us, if you're with me  
Heaven reappears here  
Until the end Maybe your heart would still be mine  
My love, if only You rock the world  
You rock steadily the wind,  
And the wheat
