Brand New Man (with Luke Combs)

Brooks & Dunn

[Chorus]
I saw the light, I've been baptized
By the fire in your touch and the flame in your eyes
I'm born to love again
I'm a brand new man

[Verse 1]
Well the whole town's talking
'Bout the line I'm walking
That leads right to your door
Oh how I used to roam
I was a rolling stone
Yeah, I used to have a wild side
They say a country-mile-wide
I'd burn those beer joints down
That's all changed now
You turned my life around

[Chorus]
Woah, I saw the light, I've been baptized
By the fire in your touch and the flame in your eyes
I'm born to love again
I'm a brand new man

[Verse 2]
I used to love 'em and leave 'em
Woah, I'd brag about my freedom
How no one could tie me down
Then I met you
Now my heart beats true
Baby, you and me together
Feels more like forever
Than anything I've ever known
We're right on track
I ain't looking back

[Chorus]
Yeah, I saw the light, I've been baptized
By the fire in your touch and the flame in your eyes
I'm born to love again

I'm a brand new man

[Instrumental Bridge]

[Chorus]
I saw the light, I've been baptized
By the fire in your touch and the flame in your eyes
I'm born to love again
I'm a brand new man
Woah, I saw the light, I've been baptized
By the fire in your touch and the flame in your eyes
I'm born to love again
I'm a brand new man

[Outro]
I'm born to love again
I'm a brand new man
