One tribe, one time, one planet, one race
It's all one blood, don't care about your face
The color of your eye or the tone of your skin
Don't care where you are, don't care where you been
'Cause where we gonna go is where we wanna be
The place where the little language is unity
And the continent is called Pangaea
And the main ideas are connected like a spear
No propaganda, they tried to upper hand us
'Cause man, I'm loving this peace
Man, man, I'm loving this peace
Man, man, I'm loving this peace
I don't need no leader that's gonna force feed
A concept that make me think I need to
Fear my brother and fear my sister And shoot my neighbor or my big missile
If I had an enemy to, if I had an enemy to If I had an enemy then my enemy is gonna try
To come and kill me 'cause I'm his enemy
There's one tribe y'all, one tribe y'all
One tribe y'all, we are one people Let's cast amnesia, forget about all that evil
Forget about all that evil, that evil that they feed ya
Let's cast amnesia, forget about all that evil
That evil that they feed ya, remember that we're one people We are one people
One, one, one people
One, one, one people
One, one, one people
One tribe, one tribe, one tribe, one time, one planet, one race
Race, one love, one people, one and
Too many things that's causing one to
To forget about the main cause Connecting, uniting
But the evil is seen and alive in us
So our weapons are colliding
And our peace is sinking like Poseidon But, we know that the one, one
The evil one is threatened by the sum, sum
So he'll come and try and separate the sum But he dumb, he didn't know we had a way to

overcome
 Rejuvenated by the beating of the drum Come together by the cycle of the hum
 Freedom when all become one, one forever
 One tribe y'all, one tribe y'all
 One tribe y'all, we are one people Let's cast amnesia, forget about all that evil, evil
 Forget about all that evil, evil that evil that they feed ya
 Let's cast amnesia, forget about all that evil, evil
 That evil, that they feed ya, feed ya, remember that we're one people We are one people
 One, one, one people
 One, one, one people
 One, one, one people One love, one blood, one people
 One heart, one beat, we equal
 Connected like the Internet
 United that's how we do Let's break walls so we see through
 Let love and peace lead you
 We could overcome the complication
 'Cause we need to Help each other, make these changes
 Brother, sister, rearrange this
 The way I'm thinking
 That we can change this bad condition Wait, use you mind and not your greed
 Let's connect and then proceed This is something I believe
 We are one, we're all just people
 One tribe y'all, one tribe y'all
 One tribe y'all, we are one people Let's cast amnesia, forget about all that evil
 Forget about all that evil, that evil that they feed ya
 Let's cast amnesia, let's cast amnesia
 Forget about all that evil, that evil that they feed ya
 One tribe y'all, we, we, we, we're one tribe y'all
 One, one, one people
 One, one, one people
 One, one, one people
 One, one, one people
 One, one, one people
 One, one, one people
 Let's, let's cast amnesia
 Lord, help me out
 Trying to figure out what it's all about
 'Cause we're one in the same
 Same joy, same pain
 And I hope that You're there when I need Ya
 'Cause maybe we need amnesia
 And I don't wanna sound like a preacher
 But we need to be one
 One world, one love, one passion
 One tribe, one understanding
 'Cause you and me can become one
