

MONSTERS

Shinedown

[Verse 1]

Good for you, you fooled everybody
Good for you, you fooled everyone
Good for you, now you're somebody
Good for you, you fooled everyone

[Pre-Chorus 1]

Leave your weapon on the table
Wrapped in burlap, barely able
Don't get angry, don't discourage
Take a shot of liquid courage

[Chorus]

'Cause my monsters are real, and they're trained how to kill
And there's no comin' back and they just laugh at how I feel
And these monsters can fly, and they'll never say die
And there's no goin' back, if I get trapped I'll never heal
Yeah, my monsters are real

[Verse 2]

Good for you, you hurt everybody
Good for you, you hurt everyone
Good for you, you love nobody
Good for you, you owe no one

[Pre-Chorus 2]

Leave your weapon on the table
Wrapped in burlap, barely able
Call a doctor, say a prayer
Choose a god you think is fair

[Chorus]

'Cause my monsters are real, and they're trained how to kill
And there's no comin' back and they just laugh at how I feel
And these monsters can fly, and they'll never say die
And there's no goin' back, if I get trapped I'll never heal
'Cause my monsters are real

[Bridge]

Leave your weapon on the table

Wrapped in burlap, barely able
Don't get angry, don't discourage
Take a shot of liquid courage
Leave a light on if you're able
'Cause we both know you're unstable
Call a doctor, say a prayer
Choose a god you think is fair

[Chorus]

'Cause my monsters are real, and they're trained how to kill
And there's no comin' back and they just laugh at how I feel
And these monsters can fly, and they'll never say die
And there's no goin' back, if I get trapped I'll never heal
Yeah, my monsters are real
