

Where It's At

Dustin Lynch

It ain't in a high rise looking for a good time shutting down the city lights
It ain't in the water floating like a bobber soaking up that hot sunshine
As good as it gets, no that ain't where it is It's at 2 am when she's reaching' over
Faded T-shirt hanging off her shoulder
Dressed up, hair down, in a ball cap
Yep Yep, as long as I get that
Sweet little something late night kiss
On a plane or a train or way back in the sticks
I swear, if she's there, that's where
yep yep, that's where it's at It ain't in a suped-up shiny red new truck, if she ain't to my right
It ain't in a dive bar, tall can of PBR, poppin' tops rockin' all night
As good as it gets, no that ain't where it is
It's at 2 am when she's reaching' over
Faded T-shirt hanging off her shoulder
Dressed up, hair down, in a ball cap
Yep Yep, as long as I get that
Sweet little something late night kiss
On a plane or a train or way back in the sticks
I swear, if she's there, that's where
yep yep, that's where it's at No, it don't matter wherever we're at (no...)
No, it don't get no better than that It ain't in a suped-up shiny red new truck, if she ain't to my
right It's at 2 am when she's reaching' over
Faded T-shirt hanging off her shoulder
Dressed up, hair down, in a ball cap
Yep Yep, as long as I get that
Sweet little something late night kiss
On a plane or a train or way back in the sticks
I swear, if she's there, that's where
yep yep, that's where it's at
Yeah, that's where it's at
Yep, yep, (that's where it's at)
2 AM when she's reaching' over
Faded t-shirt hanging off her shoulder
(that's where it's at)
