My pockets fat might need a diet
Yeah these bitches see me then they getting quiet

He wanted pressure, baby I swear I'll apply it

[Pre-Hook]

I just wonder how ya'll teeth feel when y'all bite it
Never be a passenger, I promise I'm the pilot
My lyrics breaded like my music has a virus
I'm Miley baby, yeah I'm modern diamond Cyrus

Fuck some twins, I buy the sequel
Got the tools, I'm not Home Depot
Taking shots but this no free throws
Shoot a nigga at his pupil

[Pre-Hook]

I just wonder how ya'll teeth feel when y'all bite it
Never be a passenger, I promise I'm the pilot
My lyrics breaded like my music has a virus
I'm Miley baby, yeah I'm modern diamond Cyrus
