

Never Seen the Rain

Tones and I

[Verse 1]

All your life now
You couldn't be mad about it
You've been sailing, sailing— ooh
You couldn't be sad about it
And it's been all this time
And you haven't lived without it
You are shining— shining— it seems though
That your life, you've found it

[Chorus]

No, but you never
No— you never seen the rain
No, but you never, no— you never seen the rain
And it gets you down
But that's okay
You've been pushed 'round
You feel the pain
And when you fall
Just lean on me
'Cause you've never known
Never seen
Never smelt
Never felt
The rain, rain
Never felt the rain, rain, rain

[Verse 2]

It's a cold dark night and
No one's tryin' to find ya
You're just coasting, coasting by
'Cause nothing seems to mind ya

[Chorus]

No, but you never
No, you never seen the rain
No, but you never, no, you never seen the rain
And it gets you down
But that's okay
You've been pushed 'round

You feel the pain
And when you fall
Just lean on me
'Cause you've never known
Never seen
Never smelt
Never felt
The rain, rain
Never felt the rain, rain, rain

[Outro]
And it gets you down
But that's okay
You've been pushed 'round
You feel the pain
And when you fall
Just lean on me
'Cause you've never known
Never seen
Never smelt
Never felt
The rain, rain
Never felt the rain, rain, rain
