

# Autumn Leaves

Ed Sheeran

Another day, another life  
Passes by just like mine  
It's not complicated Another mind, another soul  
Another body to grow old  
It's not complicated Do you ever wonder if the stars shine out for you? Float down  
Like autumn leaves  
And hush now  
Close your eyes before the sleep  
And you're miles away  
And yesterday you were here with me  
Another tear, another cry  
Another place for us to die  
It's not complicated Another love that's gone to waste  
Another light lost from your face  
It's complicated Is it that it's over or do birds still sing for you? Float down  
Like autumn leaves  
And hush now  
Close your eyes before the sleep  
And you're miles away  
And yesterday you were here with me Ooh, how I miss you  
My symphony played the song that carried you out  
And ooh how I miss you  
And I miss you and I wish you'd stay  
Do you ever wonder if the stars shine out for you? Float down  
Like autumn leaves  
And hush now  
Close your eyes before the sleep  
And you're miles away  
And yesterday you were here with me (Mmm-mm-mmh, mm-mmh  
Mmm-mm-mmh, mm-mmh)  
(Mmm-mm-mmh, mm-mmh  
Mmm-mm-mmh, mm-mmh) Touch down  
Like a seven four seven  
Stay out  
And we'll live forever now.
