

Jesus Stepped In

The Clark Family

You don't know where I have come from
You don't know where I have been
The burden I carried was heavy
And I had no peace left within
The path that I traveled was hopeless
Many times I just lost my waaaay
Satan would whisper there's no way out
You told me that too far a trade

CHORUS:

That was before Jesus stepped in
He reached all my past,
He cleansed all my sin
He broke the chains that once held me down
He set me free and I'm no longer bound
I was past hope but that was before
Jesus stepped in

VERSE:

Friend do you find yourself hopeless
Do doubt and despair seem your guide
Remember that Jesus still loves you
And He wants to walk by your side
His love and His grace can reach deeper
Then the pit of despair you are iiiin
I know 'cause I've been where you are now
And I've questioned if there was an if

CHORUS:

That was before Jesus stepped in
He reached all my past,
He cleansed all my sin
He broke the chains that once held me down
He set me free and I'm no longer bound
I was past hope but that was before
Jesus stepped in

CHORUS:

That was before Jesus stepped in

He reached all my past,
He cleansed all my sin
He broke the chains that once held me down
He set me free and I'm no longer bound
I was past hope but that was before
Jesus stepped in

CHORUS:

That was before Jesus stepped in
He reached all my past,
He cleansed all my sin
He broke the chains that once held me down
He set me free and I'm no longer bound
I was past hope but that was before
Jesus stepped in

OUTRO:

I was past hope but that was before
Jesus stepped in
