

# Good and Broken

Miley Cyrus

[Verse 1]

Are you overloaded?  
Can't decode that your life's imploding now  
There's a risk worth taking  
A pain worth aching on this hallow ground  
We can let go, don't hold onto all of life's hardest parts  
When we think of stopping, let's keep on rocking to the rhythm of our hearts

[Chorus]

We can, we can break out of here  
Jump on over there, where the air is clearer  
We can, we can forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and broken

[Verse 2]

Find the magic, go and grab it  
Your fate is in your hands  
C'mon, find a reason to believe and just tell yourself  
We can

[Chorus]

We can, we can break out of here  
Jump on over there, where the air is clearer  
We can, we can forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and broken

[Bridge]

Get off your seats, on your feet  
Raise your hands, feel the beat  
Let it go, lose control  
Feel it in your soul  
Don't you know what you can do if you have faith in you?  
Let's not be invisible

There's no red light in life, just go

[Chorus]

We can, we can break out of here  
Jump on over there, where the air is clearer  
We can, we can forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and broken, yeah

[Outro]

We can, we can, we can, we can  
We can, we can, we can, we can  
We can, we can, we can, we can  
Good and broken
