

# Bye Bye (feat. Ivy Adara)

## Gryffin

This ain't right and we know it  
Be outta sight when I finish with this cup of coffee  
It's the best time, we'll be golden  
Don't wanna cry 'Cause I don't know where to go, but I'm going  
And we say we'll stay in touch but we won't and  
We're staying 'cause we're scared to be lonely  
But we both know this ship sinking slowly Don't wanna see you, wanna kiss you, wanna love  
you

But I don't wanna say bye, don't wanna say bye  
I got my reasons but I get caught in my feelings  
And I don't wanna say bye, don't wanna say bye, bye  
I don't wanna say bye, bye don't wanna say bye, bye  
I got my reasons but I get caught in my feelings  
And I don't wanna say nye, don't wanna say bye, bye  
Don't wanna say bye, bye, don't wanna say bye, bye  
So tongue-tied 'cause we're talking  
Just white lies 'cause I don't wanna  
See you hurt in the good times  
Come fight it, try not to cry 'Cause I don't know where to go, but I'm going  
And we say we'll stay in touch but we won't and  
We're staying 'cause we're scared to be lonely  
But we both know this ship sinking slowly Don't wanna see you, wanna kiss you, wanna love  
you

But I don't wanna say bye, don't wanna say bye  
I got my reasons but I get caught in my feelings  
And I don't wanna say bye, don't wanna say bye, bye  
I don't wanna say bye, bye don't wanna say bye, bye  
I got my reasons but I get caught in my feelings  
And I don't wanna say nye, don't wanna say bye, bye  
Don't wanna say bye, bye, don't wanna say bye, bye  
I know I need to let you go  
We need to cut these ties  
But tell me that If I let you go  
You will still be mine, ooh Don't wanna see you, wanna kiss you, wanna love you  
But I don't wanna say bye, don't wanna say bye  
I got my reasons but I get caught in my feelings  
And I don't wanna say bye, don't wanna say bye, bye  
I don't wanna say bye, bye don't wanna say bye, bye  
I got my reasons but I get caught in my feelings  
And I don't wanna say nye, don't wanna say bye, bye  
Don't wanna say bye, bye, don't wanna say bye, bye No, I don't wanna  
No, I don't wanna say

No, I don't wanna say bye, bye

No, I don't wanna

No, I don't wanna say

No, I don't wanna say bye, bye
