

Make Me Feel

[Slushii](#)

[Intro: Children Playing]

[Pre-Drop]
You make me feel so...

[Drop]

[Verse]
I'd go so far if you'd be true
I'd cross the line if you want to
We make a beautiful pair
You and me
We fall in love if you choose
My heart is yours if you lose
Every fight, I'll fight for you

[Pre-Drop]
You make me feel so...

[Drop]

[Outro]
Hahahahahahaha...
