

# Wipe Your Eyes

# Maroon 5

I'm afraid that I gotta do what I gotta do  
But if I let you go, where you gonna go?  
We gotta make it change, time to turn the page  
Something isn't right, I don't wanna fight you  
We've been through couple times, you know it  
gets worse

We can turn this around, please let me be first  
And as I feel your tears spilling on my shirt  
Something isn't right I don't wanna fight youHey you, come over and let me embrace you  
I know that I'm causing you pain too but

Remember if you need to cry  
I'm here to wipe your eyes  
Tonight before you fall asleep  
I'll run my thumb across your cheek  
Cry 'cause I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay  
Cry 'cause I'm here to wipe your eyes  
Oh oh

'cause I'm here to wipe your eyes When did we cross the line  
How could we could forget  
Why do we let the pressure get into our heads  
Your broken heart requires all of my attention  
'cause something isn't right I don't wanna fight you Hey you, come over and let me embrace you

I know that I'm causing you pain too but  
Remember if you need to cry  
I'm here to wipe your eyes  
Tonight before you fall asleep  
I run my thumb across your cheek  
Cry 'cause I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay  
Cry 'cause I'm here to wipe your eyes  
Please don't lose your faith

Don't worry 'cuz I'm here to keep you safe  
I promise if you let me see your face That I won't let you down, I won't let you down  
I'm here to wipe your eyes  
Tonight before you fall asleep  
I'll run my thumb across your cheek  
Cry, 'cause I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay  
Cry, 'cause I'm here to wipe your eyes
