

My Way (Catchment Remix)

One Bit & Noah Cyrus

Why can't we do this
Why can't we do this (hey) Don't think you can run, before the trigger
No way that I'm done (no way, no way, no way, no)
Two feet on the floor
No lie, you go figure
Whose backs to the wall?
Watch me climbing Seem to be liking imbalance tonight
Finding your ways, got a challenge tonight
The kind of luck that you keep telling me, telling me
(Telling me, telling me)
The truths is that I just can't take this anymore
The words that use are tidal aboard
The kind of luck that you keep telling me, telling me
Why can't we do this my way, my way
It's gotta be what you say, you say
You think that you know better
But you keep proving you never
Why can't we do this my way, my way
Why can't we do this
Why can't we do this my
Why can't we do this
Why can't we do this my way, my way Just tell me one more time, go on and cross that line
Do you dare to?
Just tell me one more time, go on and cross that line
Do you dare to?
Just tell me one more time, go on and cross that line
Do you dare to?
Just tell me one more time, go on and cross that line (ooh)
Why can't we do this (my way)
Why can't we do this (my way)
Why can't we do this
Why can't we, why can't we
(Why, why, why, why, why) Why can't we do this my way, my way
It's gotta be what you say, you say
You think that you know better
But you keep proving you never
Why can't we do this my way, my way
Why can't we do this
Why can't we do this my
Why can't we do this
Why can't we do this my way, my way
