

Peace

Weezer

[Verse 1]

More and more
I can't say no
So afraid of letting go
If there's something
I can grab
You can bet
I'll pay the tab

[Chorus 1]

Counting all the flowers
Waste the precious hours
I need to find some peace

[Verse 2]

All these problems on my mind
Make it hard for me to think
There is no way I can stop
My poor brain is gonna pop

[Chorus 2]

And I don't have a purpose
Scattered on the surface
I need to find some peace

[Post-Chorus]

Whoa, whoa, whoa, whoa-ho
Whoa, whoa

[Guitar Solo]

[Chorus 3]

And all the broken tethers
We can bring together
I need to find some peace

[Post-Chorus]

Whoa, whoa, whoa, whoa-ho
Whoa, whoa-ho
Whoa, whoa, whoa, whoa-ho

Whoa, whoa

[Outro]

I need to find some peace

I need to find some peace

Whoa
