

Razor

ASTR

[Verse 1]

I can't face oh no
Why I want to be here
Why I want to be here
I can't place oh no
Why I want to be here
Why I want to be here
Deep under the skin
Magic tuck you in
We could turn round
Rage it keep on burning
I want more more more

[Chorus]

In my, In my heart
In my heart
You're taking me under
Taking me under
In my, In my heart
In my heart
You're taking me under
Taking me under
Cut like a razor blade
Cut like a ra-ra-ra
Cut like a razor blade
Cut like a razor blade
Cut like a ra-ra-ra
Cut like a razor blade

[Verse 2]

Rising like the sun
Why am I still here
Why am I still here
Baby got your gun
Why am I still here
Why am I still here
Train is off the track
Racing to the fact
Rush to slow my roll
Bitter to reward

I want more more more

[Chorus]

[Bridge]

Curvy like the waves
You trace me long long
Melting walls in place
You're catching my fall
Lovely as it seems
It won't be long long
Burning all the seeds
And playing my song
Sing my song

[Chorus]
