Astrid S

Say you need your space
I can read your face
When it gets cloudy
Just come and find me
Take you to a place
I won't leave a trace
We can be safe here
Middle of nowhere
Oh, I know where you run, I know where you run, run to
Let me be the one, let me be the one
Show you how it's done
Crash into the sun
I know where you run, I know where you run, run to
Let me be the one, let me be the one
Show you how it's done
'Cause we're staying
(Young)
Louder
Wilder
Harder
I'mma make you feel
I'mma make you feel
(Young)
Deeper
Bolder
Stronger
I'mma make you feel
Show you something real
We could take a plane
Right to outer space
One with the stars now
Yeah, we are far out
When I'm with you, I'm dizzy
Can't stop my head from spinning
Everything's gone
You make me feel like water
Go with the flow and further
We're not growing up
(Young)
Louder
Wilder
Harder
I'mma make you feel
I'mma make you feel
(Young)
Deeper
Bolder
Stronger
I'mma make you feel

Show you something real
Oh, I know where you run, I know where you run, run to
Let me be the one, let me be the one
Show you how it's done
Crash into the sun
I know where you run, I know where you run, run to
Let me be the one, let me be the one
Show you how it's done
'Cause we're staying
(Young)
Louder
Wilder
Harder
I'mma make you feel
I'mma make you feel
(Young)
Deeper
Bolder
Stronger
I'mma make you feel
Show you something real
(Young)
