

Belong

Cary Brothers

Wake up lonely with you by my side
One more night it doesn't feel
There are movies playing in your eyes
You dream of our fortunes But you're wrong
I don't belong to you The moon is the only friend I have outside
One more drink and I'll be healed
I told you the words and then knew it was a lie
I wish I could offer an appeal
You're wrong
I don't belong
You're wrong
I don't belong to you What I'd give for that first night
When you were mine You were mine
Tried with all that I have to keep you alive
I wasn't taught this way
With a thousand things to say
I was born with a broken heart
What I'd give for that first night
When you were mine
You were mine
Thought you were mine
So I'll put this cigarette to bed
Pull some sheets from off your side
I put my arm around you safe in the night
Still dreaming of fortune
But you're wrong
I don't belong
You're wrong
I don't belong
I don't belong
