

Islands in the Stream (with Dolly Parton)

Kenny Rogers & Dolly Parton

Baby when I met you, there was peace unknown
I set out to get you with a fine toothed comb
I was soft inside, there was something going on
You do something to me, that I can't explain Hold me closer, and I feel no pain
Every beat of my heart, we got something goin' on
Tender love is blind, it requires a dedication
Honest love, we feel, needs no conversation And we ride it together, uh huh
Making love with each other, uh huh Islands in the stream, that is what we are
No one in between, how can we be wrong
Sail away with me, to another world
And we rely on each other, uh huh
From one lover to another, uh huh
I can't live without you if the love was gone
Everything is nothin' if you got no one
And you just walk in the the night
Slowly losing sight of the real thing But that won't happen to us, and we got no doubt
Too deep in love, and we got no way out
And the message is clear
This could be the year for the real thing
No more will you cry Baby I will hurt you never
We start and end as one
In love forever
We can ride it together, uh huh
Makin' love with each other, uh huh Islands in the stream, that is what we are
No one in between, how can we be wrong
Sail away with me, to another world
And we rely on each other, uh huh
From one lover to another, uh huh
(Sail away)
(Ohhh, sail away with me)
Islands in the stream, that is what we are No one in between, how can we be wrong
Sail away with me, to another world
And we rely on each other, uh huh
From one lover to another, uh huh
Islands in the stream, that is what we are
No one in between, how can we be wrong
Sail away with me, to another world
And we rely on each other, uh huh
From one lover to another, uh huh
