

# Play It Again

Luke Bryan

She was sittin' all alone over on the tailgate  
Tan legs swingin' by a Georgia plate  
I was lookin' for her boyfriend,  
Thinkin', "No way she ain't got one."  
Soon as I sat down I was fallin' in love  
Tryin' to pour a little sugar in her Dixie cup  
Talkin' over the speakers in the back of that truck  
She jumped up and cut me off She was like, "Oh, my God, this is my song.  
I've been listenin' to the radio all night long.  
Sittin' 'round, waitin' for it to come on and here it is."  
She was like, "Come here boy, I wanna dance."  
'Fore I said a word she was takin' my hand  
Spinnin' me around 'til it faded out  
And she gave me a kiss  
And she said, "Play it again, play it again, play it again."  
And I said, "Play it again, play it again, play it again."  
I'd a gave that DJ my last dime  
If he would have played it just one more time  
But a little while later we were sittin' in the drive in my truck  
Before I walked her to the door  
I was scannin' like a fool AM, FM, XM, too  
But I stopped real quick when I heard that groove  
Man, you should have seen her light up She was like, "Oh, my God, this is my song.  
We've been listenin' to the radio all night long.  
I can't believe that it came back on, but here it is."  
She was like, "Come here boy, I wanna dance."  
'Fore I said a word she was takin' my hand  
Spinnin' in the headlights she gave me a goodnight kiss  
And I said, "Play it again, play it again, play it again."  
And she said, "Play it again, play it again, play it again."  
The next Friday night  
We were sittin' out under the stars  
You should have seen her smile  
When I broke out my guitar She was like, "Oh my God, this is my song.  
I've been listenin' to the radio all night long.  
Sittin' 'round, waitin' for it to come on and here it is."  
She was like, "Come here boy, I wanna dance."  
'Fore I said a word she was takin' my hand  
Spinnin' in the headlights she gave me a goodnight kiss  
And she said, "Play it again, play it again, play it again."  
And I said, "Play it again, play it again, play it again." Yeah, play it again, play it again,  
again

Somebody, play it again, play it again, play it again
