

Role Models

AJR

[Intro]

3, 4

[Chorus]

All my role models are on TV for the wrong reasons
And, I will unravel if you rip away my best pieces
Would've never come so far without someone there to start
Can I truly love the art when I kinda hate the artist?
But, all my role models are on TV for the wrong reasons
Wrong reasons

[Verse 1]

This time of year, I'm feelin' weird, might be allergies
Wanna move out, but when I move out, who'll be proud of me
Thought I was made, from men that were great, put that crown on me
Thought I was made, from Louis C.K

[Chorus]

But, all my role models are on TV for the wrong reasons
(Ah, ahh-ah-ah, ah, ahh-ah-ah)
And, I will unravel if you rip away my best pieces
(Ah, ahh-ah-ah, ah, ahh-ah-ah)
Would've never come so far without someone there to start
Can I truly love the art when I kinda hate the artist?
But, all my role models are on TV for the wrong reasons
(Ah, ahh-ah-ah, ah, ahh-ah-ah)
Wrong reasons

[Verse 2]

I used to say, just what's on my brain, 'cause you always did
You used to be, so special to me, now you've taken it
Look at this mess, should I forget, what you gave to me?
Look at this mess, wake up Mr. West

[Chorus]

Cause, all my role models are on TV for the wrong reasons
(Ah, ahh-ah-ah, ah, ahh-ah-ah)
And, I will unravel if you rip away my best pieces
(Ah, ahh-ah-ah, ah, ahh-ah-ah)
Would've never come so far without someone there to start

Can I truly love the art when I kinda hate the artist?
But, all my role models are on TV for the wrong reasons
(Ah, ahh-ah-ah, ah, ahh-ah-ah)
Wrong reasons

[Outro]
Ah, ahh-ah-ah, ah, ahh-ah-ah
Ah, ahh-ah-ah, ah, ahh-ah-ah
Would've never come so far without someone there to start
Can I truly love the art when I kinda hate the artist?
But, all my role models are on TV for the wrong reasons
(Ah, ahh-ah-ah, ah, ahh-ah-ah)
Wrong reasons
