

Lights

Ellie Goulding

I had a way then losing it all on my own
I had a heart then but the Queen has been overthrown
And I'm not sleeping now the dark is too hard to beat
And I'm not keeping now the strength I need to push me You show the lights that stop me turn
to stone

You shine it when I'm alone
And so I tell myself that I'll be strong
And dreaming when they're gone
'Cause they're calling, calling, calling me home
Calling, calling, calling home You show the lights that stop me turn to stone You shine it when
I'm alone

Home Noises, I play within my head
Touch my own skin and hope that I'm still breathing
And I think back to when my brother and my sister slept
In an unlocked place the only time I feel safe
You show the lights that stop me turn to stone

You shine it when I'm alone
And so I tell myself that I'll be strong
And dreaming when they're gone
'Cause they're calling, calling, calling me home
Calling, calling, calling home
You show the lights that stop me turn to stone
You shine it when I'm alone

Home

Yeah, hee

Light, lights, lights, lights

Light, lights, lights, lights

Light, lights, lights, lights

Light, lights

You show the lights that stop me turn to stone

You shine it when I'm alone

And so I tell myself that I'll be strong

And dreaming when they're gone

'Cause they're calling, calling, calling me home

Calling, calling, calling home

You show the lights that stop me turn to stone

You shine it when I'm alone

Home, home

Light, lights, lights, lights
