

Boss's Daughter

Pop Evil

That girl, she's a loaded gun
Gonna take 'em out take 'em one by one
She knows when she's dressed to kill
She'll put a bullet in your heart just to feel the thrill

She walks like she's walkin' on water
She moves like the boss's daughter
She rides like a '67 Chevy
In her drop top red and white and blue

Ohhh, what she does to me
With her long dark hair and her sexy thighs
Baby let me come inside

Cuz she's hell on heels
And she turns my wheels
With her devil smile and her angel eyes
She got me all hypnotized
And she's hell on heels

That girl needs somebody like me
A real man born with a sex degree
I was raised by the devil's own kin
Taught me that a good time was never a sin

She walks like she's walkin' on water
She moves like the boss's daughter
She rides like a '67 Chevy
In her drop top red and white and blue

Ohhh, what she does to me
With her long dark hair and her sexy thighs
Baby let me come inside

Cuz she's hell on heels
And she turns my wheels
With her devil smile and her angel eyes
She got me all hypnotized
And she's hell on heels

I love the way she moves those heels from hell
Lunch breaks lead to drinks in cheap hotels
I'm just another guy she'll burn inside her fire
I'd sell my soul for her desire

With her long dark hair and her sexy thighs
Baby let me come inside

Cuz she's hell on heels
And she turns my wheels
With her devil smile and her angel eyes
She got me all hypnotized
She's hell on heels

And she's hell on heels
She's hell on her heels
You got me got me
With your devil smile and her angel eyes
She got me all hypnotized
She's hell on heels
